

Field Trip Permission

The city of Courtenay has granted Little Llama Montessori Academy permission to use Cooper Park located at England Avenue off 14th Street. We will be walking 0.4 kilometres down England Avenue the safest route at 11 a.m each day. On our route we will be exploring nature, singing songs and viewing the local rabbits. This is a temporary off-site playground plan until LLMA has a playground on site. On occasion LLMA will also go on field trips to the Fire Station, Library, Parks and Nature Walks. I understand that my child will be away from the classroom and that all caregivers will be notified by HiMama with photographs and updates of their child's location.
